The screenshot shows the MyBenefits website interface. At the top, it says 'MetLife' and 'Tom Smith, Acme Corporation'. Below that, there's a navigation bar with 'Home' and 'See All Benefits'. The main content area is titled 'Welcome to MyBenefits' and includes an 'Alerts' section with a message about saving paper and money by opting for electronic statements. There's also a 'Dental Benefits (PDP)' section with a list of actions: 'View your plan information', 'Check the status of a claim or pretreatment estimation', and 'Update your dental claim preference: paper or online EOB'. A 'Recent Claims' table is displayed below, showing details for four patients: Tom Smith, Laura Smith, Darryn Smith, and Karen Smith. The table includes columns for Patient Name, Date of Service, Dentist, Total Charges, Patient Responsibility, and Status. At the bottom, there's a search bar for finding a dentist by zip code and a footer with copyright information.
