

Online Evidence of Insurability

Say goodbye to frustration and hello to OneAmerica®

We're aware that one of your biggest pain points is knowing whether your employees are approved or declined for insurance coverage above the guaranteed issue amount. Which is why at OneAmerica, we've implemented a new secure tool that will virtually provide nearly instantaneous results.

Say goodbye to paper

OneAmerica has eliminated traditional Evidence of Insurability (EOI) paper forms for employee benefits and has gone completely digital.

Say goodbye to delays

By eliminating paper EOI forms, the wait time is significantly reduced for results. Now, coverage decisions are made quickly.

Say goodbye to limited access

Policyholders and employees can securely review decision status 24/7 no matter where they are.

Contact your OneAmerica Sales Representative or Account Manager today for more information.

Note: Products issued and underwritten by American United Life Insurance Company® (AUL), Indianapolis, IN, a OneAmerica company.

Our online EOI solution has the following advantages over traditional paper EOI forms.

Benefits for you

- Ease of administration; no more paper forms
- Fast answers: Instant decisions with over 90 percent rate of adjudication; remainder within 48 hours
- Greater efficiency with timely payroll deduction updates
- Online reporting through ben admin website

Benefits for your employees

- Simplified questions make it easier to complete and submit forms
- Instant decisions depending on the answers to these simplified questions
- 24/7 secure access so that questions can be answered and decisions viewed anytime and anywhere
- Call center support available
